## Invitation to attend BDF Talk Series

**Subject: Online talks with interactive sessions on Issues Relevant to the Community.**

Dear All,

For community development with peace and progress, it is important that the right of the indigenous people to land in their habitat is protected and preserved, and citizens know the relevant provisions of the law applicable to them.

Boro Diaspora Forum has been formed to connect the Boro Diaspora across the globe with the objective of working for all round development of society by connecting, networking, collaborating, promoting, knowledge sharing, and through outreach. Towards this end, the Forum has been conducting a talk series by experts on issues relevant to the community and society.

Aligned with the above objective, BDF is organising the following two online talks with interactive sessions by experts on the topics, dates and times as follows:

**1) Land Laws with particular reference to Tribal Belt and Blocks, and the Power of BTC on Land Matters** on December 4, 2021 at 6.30-8.00 PM (IST)

and

**2) The Rationale and Working of the Sixth Schedule** on 11 December, 2021, at 6.30-8.00 PM (IST).

All are requested to block the date and time in your diary, participate and invite people you know to attend the session.

Detailed Programme and meeting link will be shared separately through mail, BDF WhatsApp group, and BDF Website before the meeting.
